		1st Jan to 31st Dec			Virtual Half Marathon

This was set up to try and encourage competition between club members at all levels and to be sure of a good turnouts at events in the area: seeing Swinton runners competing at events throughout the field is the best advertisement for the Club.

There are 19 events, including the two virtual events of which 7 races will score.

Scoring is done the same as in the Central Lancashire Grand Prix, 1 point for first, 2 points for second, 3 points for third etc. etc. etc.

Prizes will be awarded for the first 3, and also in each of the vet categories. Only one prize per member.

To be eligible for prizes, competitors must have taken part in the minimum number of events.
